

Qi-Groove+

Qi-Groove+™ supplies dietary support for adrenal function by combining high-quality adrenal gland with pantothenic acid and vitamin C to support healthy adrenal hormone production and regulation.

Adrenal Cortex (Glandular Concentrate) has been carefully selected with quality and health in mind. This adrenal cortex gland is from 100% range-grazed, grass-fed, hormone-free cows from Argentina, known to be among the finest sources for adrenal gland in the world. These glands also are inspected and analyzed for purity. Freeze drying preserves the delicate enzymes, trace nutrients, and organic proteins.

- Gland source from 100% range-grazed, grass-fed, hormone-free cows from Argentina.
- Pantothenic acid and vitamin C for adrenal hormone production.
- Supplies adrenal cortex, vitamins B5 and C.

Suggested Usage

As a dietary supplement, take 1-3 capsules per day, evenly spaced, between meals, or as directed by your healthcare professional.
