

Qi-Liquid™ Multiple Product Description:

Qi-Liquid™ Multiple is a comprehensive nutrient with Ginkgo, Ginseng, Aloe Vera juice, vitamins, minerals and amino acids and a berry flavor. It is Vegan, Vegetarian and Gluten Free. This liquid supplement contains a blend of Super Concentrated Sea Vegetables. The unique processing system compresses the sea vegetables in order to concentrate them into supplement levels. No heat is used in the process. This maintains the nutrients in their original state. The Sea Vegetables are then blended with Aloe Vera juice, honey, fruit juice and other nutrients like Vitamin C. The result is one of the most powerful nutritional supplements on the market today. 36 Fluid Ounces.

Suggested Use:

Shake well. Refrigerate after opening. Suggested daily serving 1 ounce. To dispense, open pre-measured vial lid and squeeze. Some settling is normal. Protect from heat, light and moisture. As with any natural product, color and taste may vary.
